

Simple task chair with different backrest variants

With its functional, contemporary design, Claro suits all spaces requiring flexible, sustainable interior design. With three different backs – mesh, cover for mesh backs and fully upholstered back, there is a Claro for any space. The unique cover means the chair can be flexibly changed from mesh to upholstered. Claro has been equipped with an ergonomic Synchrone™ mechanism for smooth tilting of the seat and back. The tilt resistance can be adjusted and the back can be locked into four different positions. When you select the fully upholstered option, the back height can also be adjusted. Claro is ingenious in its simplicity – a universal solution for modern workplaces, it works just as well as a task chair as a chair for project and meeting rooms.

Functions & options

SYNCHRONE

A mechanism where the ratio (1:2,4) between the seat and the back is synchronized for a smooth tilting movement. Adjustable tilting resistance and back lock in four positions.

SEAT HEIGHT

The chair's seat height is easily adjusted to your height.

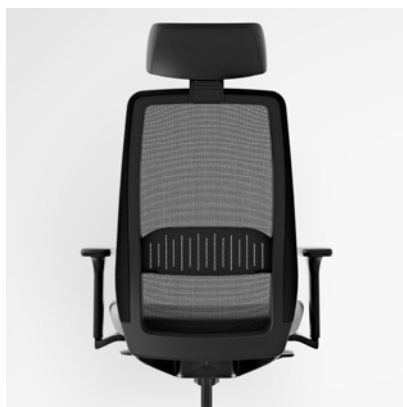

SEAT DEPTH

Seat depth can be adjusted in relation to the chairs' back, supporting your legs. Optional.

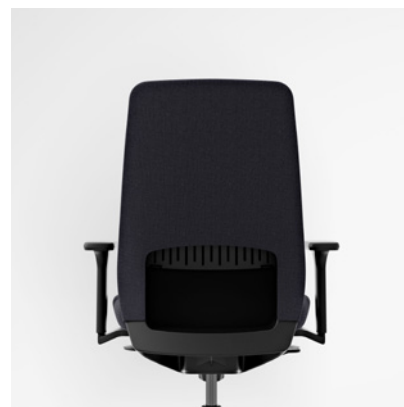

ADJUSTABLE LUMBAR SUPPORT

The lumbar support can be adjusted for extra support of the lower back. Optional for mesh back.

MESH BACK

Back in black mesh fabric, providing a good level of comfort and pleasant ventilation.

COVER FOR MESH BACK

Back cover offering extra comfort and prolonging the chair's lifespan. Available in Oeko-Tex-labeled Radio fabric, in 8 different colours.

UPHOLSTERED BACK

Fully upholstered and height adjustable.

HEADREST

Black headrest, adjustable in height and depth, providing comfortable support for neck and head. Optional for upholstered or mesh back.

COAT HANGER

Headrest can be equipped with a coat hanger for storing jackets at the chair's back.

ARMRESTS

Choose between 1D (height adjustable), 3D (height adjustable, armrest pad can be adjusted forward, backward and rotated) and 4D (height adjustable, armrest pad can be adjusted forward, backward and rotated, armrests can be adjusted laterally).

STAR BASE

Black 5-star plastic base as standard. Metal 5-star base in silver available as an option.

CASTORS

Black soft flooring castors as standard. Black hard flooring castors or glides available as an option.

Colours & materials

Kinnarps Colour Studio (KCS) is our range of materials for offices, schools and healthcare facilities, with a focus on sustainability, quality and harmony. It offers attractive materials that have been carefully tried and tested for suitability and sustainability in different types of spaces. The wide range makes it easy to find the look and functionality you want. Wood, metal, plastic, and textiles, colours and patterns that are easy to mix and match with each other and the rest of the interior design. A well-thought-out range that provides a harmonised and sustainable overall impression, and makes it possible to choose the right material and the right colour for the right place and activity.
