## FUNCTIONS AND OPTIONS

### LEGS

Classic simplicity with a light impression. Underframe available in black, white, silver or chrome.

### CANTILEVER

A robust metal underframe with a comfortable swing. Available in black, white, silver or chrome.

### SLEDGE

A stable and stylish metal underframe. Available in black, white, silver or chrome.

### BAR STOOL

Light and airy sledge metal underframe in two different heights. Available in black, white, silver or chrome.

### 4-STAR BASE

Metal underframe in black, silver or chrome. Chairs with fixed seat height available with swingback-function, that returns the chair to its original position.

### 5-STAR BASE

Metal underframe in black, silver or chrome with wheels. Castors for hard or soft flooring. Friction brakes optional.

### DIFFERENT BACKS

Wooden back available in beech, birch, oak or walnut. Plastic back available in white, dark grey or black.

### BACK CUSHION

The wooden back chair is also available with an upholstered pad at the front, in the same fabric as the seat. This provides comfortable back support and is an attractive chair detail.

### ARMRESTS

This option is available for all models, except bar stools. It can also be fitted at a later stage. The armrest pad is always black, and the armrest limbs are available in black, silver or chrome.

### GLIDES

Plastic glides on the underframe as standard. To significantly reduce noise levels, glides with felt pads are available as an option.
