

Timeless and comfortable meeting chair

Siro is a meeting chair with a timeless design that is easy to place and simple to combine in different interior design solutions. It is ideal for different types of meeting places, meeting rooms or touch-down areas for shorter periods of work.

The chair has a fully upholstered seat unit, integrated Nozag springs in the seat and a patented back. This provides extra comfort and allows you to sit comfortably for longer periods of time. The chair's flexing back encourages movement and counteracts static sitting.

There are four different underframes to choose from: 4-legged, 4-legged with castors, c-frame or 5-star base with castors. The chair is available with or without armrests in wood or plastic for comfortable support of the arms. The 5-star base is height-adjustable and has a swivel function, which makes the chair easy to adapt to the user and different meeting situations.

Siro is a sustainable choice developed to last a long time in terms of both appearance and function. It also carries the Möbelfakta label – a guarantee not only of non-toxic materials but also compliance with European quality and safety requirements for public spaces. Some of the chair components can be replaced, separated and recycled, making it circular and sustainable in the long term.

Choose between tried-and-tested fabrics and other materials from Kinnarps Colour Studio to get the look you like.

Functions & options

FOUR LEGS

Siro on stable four-legged underframe. Available in different colours.

FOUR LEGS WITH CASTORS

Castors provide easy movement and make it easy to push close to the table. Choose between braked and unbraked castors.

C-FRAME

Well-designed C-frame underframe. Available in different colours.

5-STAR BASE

The 5-star base is height-adjustable and has a swivel function, which makes the chair easy to adapt to the user and different meeting situations.

FLEXIBLE BACK

The chair's flexing back encourages movement and counteracts static sitting.

SEAT WITH NOZAG SPRINGS

The seat has Nozag springs for good comfort. Nozag springs are wave-shaped steel springs that are cast into the seat frame. They provide good deep suspension and distribute the user's weight evenly across the seat.

FULLY UPHOLSTERED

The chair has a fully upholstered seat unit for a soft and comfortable sitting position. Choose from the hundreds of colours and fabrics in Kinnarps Colour Studio to personalise the look.

ARMREST, PLASTIC

The chair is available with or without armrests in wood or plastic for comfortable support of the arms. Plastic is easy to wipe and keep clean.

ARMREST, WOOD

Wooden armrests for a well-designed look and a warmer feel on the arms.

GLIDES

Black stable glides.

PLASTIC GLIDES

Plastic glides that provide soft support on the floor.

FELT GLIDES

If the chair is to be placed on hard flooring, adding felt glides under the legs will reduce scraping and provide a quieter acoustic environment.

Colours & materials

Kinnarps Colour Studio (KCS) is our range of materials for offices, schools and healthcare facilities, with a focus on sustainability, quality and harmony. It offers attractive materials that have been carefully tried and tested for suitability and sustainability in different types of spaces. The wide range makes it easy to find the look and functionality you want. Wood, metal, plastic, and textiles, colours and patterns that are easy to mix and match with each other and the rest of the interior design. This is a well-thought-out range that provides a harmonised and sustainable overall impression, and makes it possible to choose the right material and the right colour for the right place and activity.

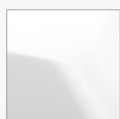

Seat/back Fully upholstered. Choose any fabric from Kinnarps Colour Studio (KCS).
